SECOND SUPPLEMENTAL DECLARATION UNDER 37 C.F.R. § 1.131

Commissioner for Patents
PO Box 1450
Alexandria, Virginia 22313-1450

Sir:

I, David Blight, state and declare that:

1. I hereby supplement my September 7, 2006 Declaration ("Declaration") and February 27, 2007 Declaration ("Supplemental Declaration") as follows.
2. Based on the documents provided with the Declaration and Supplemental Declaration and my best recollection, the conception of Claims 1-26 of the '311 Application took place at least by November 2, 2000 and I was diligent in moving the concepts that led to the '311 Application toward a patent filing from prior to November 29, 2000 through March 26, 2001.
3. Applicants are relying on the diligence of Alistair K. Chan in the period from March 27, 2001 through May 30, 2001, as set forth in the Affidavit of Alistair K. Chan dated February 14, 2007.
4. Applicants are relying on our May 30, 2001 filing date as a constructive reduction to practice.

Atty. Dkt. No. 035451-0131 (3640.Palm)

5. I hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are true, and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the patent application or any patent issuing therefrom.
